

Springvale Township

2020 Newsletter

Supervisor Notes:

I hope everyone had a good Memorial Day weekend even though it was very restricted. I would like to start by saying I have decided not to run for an additional term this November. It was a difficult decision. I have enjoyed being your supervisor for the many years I have spent in this position. I would like to thank the board members that I have served with. We had very few problems.

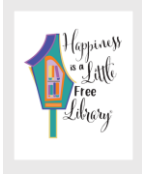

Next, I want to thank you for supporting our board. I greatly appreciated your vote for the one additional mill to be used for road construction. We are one of the few townships that collect three mills for road projects. At the annual Emmet County Road Commission meeting in January 2020, Springvale Township was ahead of the projected curve for road repairs thanks to the extra mills for road projects.

In closing, once again, it was a privilege serving Springvale Township.

BE SAFE!

Respectfully, Tom Whipp

Springvale Township Supervisor

We are installing a **Little Free Library** outside the Township hall if anyone would like to make donations
