VERBAL REPORTS

Ordinance Enforcement Officer (OEO): This is a reply to an anonymous letter with regards to a property 7321 Channel Road. "The township received an anonymous letter on 7/10/26 regarding property 7321 Channel Road. The person claimed that the Ordinance Enforcement Officer, Becky Fettig, is derelict in their duties to this property and that I am not addressing this because we are related. For the record, we're not related and the owner has been on my docket three times, Oct. 2013, Jun 2022, and June 2024. The owner has always been very respectful and complied with everything I have asked him to do. He is almost done with the roof and just found the part he needed to get his truck back together. The owner is scheduled for surgery but plans to have the roof and truck finished by snow fall this year."

Fire Department: Auction, Bids on old firetruck, Cost Recovery Ordinance: A sealed bid process is in place for the sale of old fire truck. Also, the township is exploring a Cost Recovery Ordinance to have fire events covered by such an ordinance. More information is needed.

Lake Level/Lock Updates: All lakes are ready for summer use.

OLD BUSINESS

New Server: Update is scheduled for August 10, 2026:

Dust Control: Completed June 17-18, 2026

NEW BUSINESS

King Road: Residents requesting maintenance.

Ellsworth Boat Launch Repairs: Needs welding, replacement parts, and planks replaced. Estimates were requested.

Repair Recycle Fencings: The transfer station fence needs upgrading. The county will be approached to share the cost.

Comments from the floor: John Lamberston requests assistance to slow down trucks along the end of Pickerel Lake Road. Members suggest a “no jake breaking” sign. Randy McCune will contact the county to see what can be accomplished.

Vanessa Hollopeter and family bring to our attention the poor condition of Pickerel Lake Road. She is also concerned that people have used an easement off Pickeral Lake Rd., between five parcels, to gather information with regards to OEO conditions that need to be addressed.
